

Giving Our Thanks to the Church

We would love to give a very special thanks to All Saints Wickham Market Church for allowing us their space to run our Flu Jab Clinics. We have successfully administered the large majority of our Over 65 patients with the Flu Vaccine.

Once again, thank you for your kindness.

Reopening of Rendlesham Surgery

As of 19/10/21, we reopened Rendlesham Surgery after months of renovation and refurbishment. Thank you for your patience in this process, you are now able to book Rendlesham appointments via our front desk or telephone.

Christmas/New Year Opening Hours

This year the surgery will not be open on the following bank holidays:

- 27th December 2021 [Christmas Day]
- 28th December 2021 [Boxing Day]
- 3rd January 2022 [New Year's Day]

Staff Changes

In the last couple of months, we have restructured our Admin team. We are delighted to introduce several new members of staff!

Jessica Balaam [Reception and Admin]

Holly Brennan [Reception Apprentice]

Beverley Corston-Petrie [Administrator]

Luke Hammett [Admin + In-House IT]

Juli Witkowski [Admin + SARS Controller]

Patient Group

We would like to know how we can improve our service to you and how you perceive our surgery and staff.

To help us with this, we are setting up a virtual patient representation group so that you can have your say. We will ask the members of this representative group some questions from time to time, such as what you think about our opening times or the quality of the care or service you received. We will contact you via email and keep our surveys succinct so it shouldn't take too much of your time.

We aim to gather around a hundred patients from as broad a spectrum as possible to get a truly representative sample. We need young people, workers, retirees, people with long term conditions and people from non-British ethnic groups.

Our Patient Group within the surgery can be contacted at the following email addresses. If you have any suggestions for the surgery, please feel free to contact them!

Eleanor Crowhurst (Chair) –

Phone - 01394 421763

eleanor.crowhurst@btinternet.com

Victoria Sangster (Vice Chair) –

Phone - 01394 461437

Flu/Covid Vaccine Details

Annual protection against influenza is offered to patients aged 65 and over and those at high risk, e.g., with chronic heart, chest and breathing disorders, and diabetes.

We have been running Flu clinics for patients over the age of 65. Alongside this, the surgery have been made distributors of the Covid Vaccine Boosters 'Pfizer' and 'Moderna'. If you have any enquiries about the jabs or would like to book in, please contact us on [01728 747101](tel:01728747101),

Child Immunisations and Nasal Flu

This year as part of the NHS childhood vaccination programme, we are introducing a nasal spray for all children aged 2 and 3 years old and for children with a health condition that puts them at risk of the flu.

It is very important to get your children vaccinated!!

. Immunizations can **save** your child's life

. Immunization **protects** others you care about

Immunization **protects future** generations.

Getting vaccinated is easy! If you have any enquiries about booking your children in, contact us on 10728 747101 and speak to one of our Nurse Practitioners.
